## EDUCATION

### Batchelor of Technology in Electronics and Communications Engineering

Amrita college of Engineering Coimbatore

2020 - Present

CGPA 8.28/10.00

### Grade 12

PKD Matric school Pollachi

2019 - 2020

Percentage:87.8%

### Grade 10

PKD Matric school Pollachi

2017 - 2018

Percentage:95.8%

## PERSONAL PROJECTS

### Image Fusion Using DCT

- Image processing | Python | Numpy
- This has been presented to fuse the out of focus images into a single image with more detailing.
- This was done on the basis of **Discrete cosine transforms**.
- Link : [https://github.com/RahulKrishna-A/Image\\_fusion\\_using\\_DCT](https://github.com/RahulKrishna-A/Image_fusion_using_DCT).

### Case Convertor

- JavaScript | HTML | CSS
- A simple web application which allows you to convert your input into 4 different case.
- Link : <https://github.com/RahulKrishna-A/CaseConvertor>.

## INTERESTS

### Web Development

Frontend Web development

### Data Structures

Data Structures and algorithm

## SKILLS

Python

JavaScript

HTML

CSS

React(learning currently)

## TECHNOLOGIES

Pycharm

Webstorm

Git

VS Code
